- Directors and District Advisory can see detailed descriptions of each workshop on the Arts in Ed website:  
<https://nbws.nasboces.org/artsined/district/prodev.asp>
- More specific directions have been sent to directors who will forward them to teachers.
- The website will be available to teachers for staff development registration beginning at 4:00 pm on August 26, 2019. (<https://nbws.nasboces.org/artsined/pdattendee/loginFrm.asp>)
- Music Administrators in each participating district will enter a request for Professional Development on the website, including a list of all district music teachers and their e-mail addresses. This may be entered immediately, but no later than August 19, 2019.
- The district's contract for the Music Staff Development Series must be in place before the teachers can register for workshops.
- All workshops are scheduled for 4:00 PM to 6:00 PM.
